They save him and give him frank soldiers, but at the expense of Vera, who sacrifice themselves to stop the boost from the feelings of guilt, because they bribed Pietro to lose the MMA fight. Karen Jason wants to get angrily out of the Mafia War of losing confidence and the fact that Frank killed his father. Jason rescues him again from Veliano soldiers and convinces him to accept his help. Karen kisses Jason before bringing fire and corruption. Frank Veliano is the main antagonist of Gangstar Vegas. He started out as a thief before joining the Mafia family, Montello, which was then run by Johnny. One night, Johnny was seriously injured, but Frank was too drunk to take him to the hospital, which led to the thief of the law. But hope and reconciliation come to him when Jason rescues him from the arresting Velian and the LVPD. Winston's "Preacher" Gudman is a priest who goes to the post of Mayor of Las Vegas. Although Winston looks clean and outwardly collected, he has participated in debauchery, corruption, and fraud with assets. He was supported by Frank in his campaign, but later turned against him for failing to post photos of Jason's discount.
