Next: Buy & use a Play gift cardYou can install apps, games, and digital content on your device from the Google Play Store. Some content is available at no charge, and some you need to buy. You can use apps that you bought on Google Play on any Android device without the need to pay again if each device is signed into the same Google Account. To download an app: Open Google Play. On your Android device, open the Google Play app . On your Computer, go to play.google.com. Search or browse for an app or content. Select an item. Select Install (for no charge items) or the item's price. Tips: To check that an app is reliable, find out what other people say about it. Under the app's title, check the star ratings and the number of downloads. To read individual reviews, scroll to the "Ratings and reviews" section. If you can't find an app you want to install, there are reasons why. Learn why you can't find an app. If you find an app that you think is harmful, report it to us. Learn how to report bad apps.
