I'm not a bot

I have had several requests on how to teach the /l/ sound so I put some thoughts together as with his tongue tip in place ask him to relax and then let air flow out the sides of his tongue					
might try having him hold a cheerio up behind his front teeth with his tongue tip. You may a tip in place on the alveolar ridge have him breathe in so he can feel the cool air going over t place two straws on either side of the mouth and have him try to blow air into it. 3. Turning	also try stimulaing the tongue tip with an electric toothbrush and then s the sides of his tongue. Have him follow this exercise by then breathing on the Voice If understanding how to turn on his voice is the problem	stimulating the alveloar ridge with an electric toothbru gout letting the air escape out over the sides of his tor have him place his hand over his voice box and feel ho	ush as well, then tell him to touch the two surfaces togongue. Another way of teaching this lateral air flow (air only it vibrates when he makes loud sounds and quiet wh	ether. 2. Teaching the Air to Flow Out the Sides of the Tongue If he bescaping out the sides of the tongue) is to place a straw in the front cispered sounds. Another Way to Teach the /l/ Sound If your child can	has difficulty with air flowing out the sides of his tongue, with his tongue of his mouth (not between the lips) and have him blow air into it, then a produce a good voiced TH sound as in this or that then you can teach the
	rith a nice /l/ sound then he is ready to move them into words. Below are tial /l/sound in sentences. For example Lucy loves learning aboutced. If your child can say the /l/ sound well in the middle of words then	e 3 links to download picture cards of words beginning Fill in the blank with the initial /l/ words you have practice the medial /l/ in sentences. For example, Bell	g with the /l/ sound, ending with the /l/ sound or with /l/ e been practicing, Lucy loves learning about lemons, or la follows the elephant to Move the /l/ Sound	/ occuring in the middle. You can download these and worksheets for Lucy loves learning about lions If your child can say the /l/ sound at d into Stories Have your child practice the /l/ sound while reading ou	to other sounds on the free downloads page. Move the /l/ Sound Into the end of words then practice the the final /l/ sound in sentences. For t loud. If your child cannot read have your child practice the /l/ sound
while retelling short stories. Move the /l/ Sound into Conversation If your child is successful patient! As promised here are the words for your unlimited use.
