A Liberal Democrat in her youth, she defected to the Conservatives in 1996. After several bids for public office she was elected as Member of Parliament and served cabinet posts under governments of Prime Ministers Tony Blair and Gordon Brown. Johnson resigned in 2022, Truss took office as the first female Conservative prime minister. Her tenure ended after 44 days in power following government defeats in two national elections, leading to its dissolution. Truss's leadership was marked by a mini-budget, which caused the pound sterling to drop significantly, the fallout from which led to her resignation after fifty days in office. She was succeeded by Sunak, becoming the shortest-serving prime minister. (Fullarticle...)Recently featured: Lesley J. Clash of the Culinary Gods) is a 2017 Hong Kong culinary drama film directed by Raymond Yip and starring Nicholas Tse, Jung Yong-hwa, Ge You, Tiffany Tang, Michelle Bai and Anthony Wong. It was released in China on 10 January 2017.[1]The story focuses on two young talented chefs, Gao Tian Ci (Nicholas Tse), a southern-style Chinese chef, and Paul Abn (Jung Yong-hwa), a Michelin-starred Korean chef trained in France. Both have reasons to climb the culinary ladderWhen Tian Ci was ten years old, his father, Gao Feng (Anthony Wong), left him behind with his friend, Uncle Seven (Ge You), master chef of Seven restaurant. When asked why, Gao Feng told Tian Ci that he has no talent as a cook and he would only take him back if he can prove to be a great cook. In reality, Gao Feng chose to pursue his culinary career over being a father and made the excuse that Tian Ci can't even make a decent bowl of noodles. Because of that, Tian Ci spent twenty years training to become a great chef under Uncle Seven. On the other side, Paul made a promise to his dying father that he would become a great cook. Through that journey, he became a highly successful chef in Europe and decides to run his own restaurant in Hong Kong, Stellar. However, this brings conflict between Paul and Tian Ci.In an old area of Hong Kong, Tian Ci is now an acclaimed chef at Seven. However, the Li Management Group arrives and starts buying various properties of the old sector, including developing Stellar for Paul. The opening of Stellar proves to be a threat to Tian Ci as these two chefs find themselves fighting for the best ingredients in the markets and maintaining their clientele. Stellar's fine haute cuisine represents a form of aggressive gentrification to the neighborhood and a threat to traditional Chinese cuisine. Their rivalry begins with a challenge for the best fish and the culinary masters agreed to face each other in a culinary duel. Tian Ci makes a traditional salt-baked duck while Paul makes a foie gras sorbet. While both tied in points, the judges declare Paul the victor, as his dish presentation was superior to Tian Ci's bland plating. Although the victory should've solidified Paul's abilities as a cook, things do not go as expected. It was while celebrating their victory that the manager of Li Group tells Paul he wants to replace him with Mei You (Michelle Bai), sous chef and girlfriend, reasoning that a woman is far more appealing on media than a man. Betrayed and confused, Paul tries to defend his position as head chef, but Mei You exposes his dark secret: Paul has problems tasting certain flavors, especially saltiness. To compensate, he would utilize a notebook containing all his recipes and have others test taste for him. To make matters worse, the manager announces that he and Mei You are romantically involved. Mei You explains his father, and the judges allow the two to cook anything they want as long as it is considered the highest expression of cooking. Tian Ci is distracted by his thoughts about how Seven and the people in the neighborhood mean the most to him. Gao Feng angrily splashes water at his son's face, demanding that he focus and show him something. Gao Feng creates a beautiful artistic sugar display of molten lava with a single flower on top. Tian Ci cooks something far more personal: an interpretation of the original noodle dish that Gao Feng made all those years ago before abandoning Tian Ci. Before the judges can score the dish, Tian Ci gives the bowl of noodles to Gao Feng, who is moved as he remembers what the noodles represent. Acknowledging his skills as a chef, Gao Feng calls his son brilliant before Tian Ci walks off the stage. Gao Feng continues to emotionally eat his noodles, with the victor unclear.Some time has passed and the people at Seven are getting ready for a poon choi Chinese New Year party with the neighborhood's people. The movie ends with the staff of Seven announcing: We wish you all 2017 a happy rooster year!This section is empty. You can help by adding to it. Rated 3/5 Stars Rated 3 out of 5 stars 03/31/23 Full Review Audience Member I picked up the movie on seeing a clip involving some crazy food presentations. Well, the movie itself is a decent watch, the plot, acting and storyline don't have much to offer, its strength is the beautiful dishes and effects going into the cooking scenes and they are good.
