We have created a new project where you can check the status if an anime episode is filler or canon on our site Filler Anime. The project is community driven and updated daily from popular shows like Naruto Shippuden filler list, One Piece filler list, Boruto filler list, Bleach filler list, Naruto filler list and more! Be sure to check them out and make them the best anime filler ever. List of Internet Sites! Many people may have questions like "Where can I see a Naruto Shippuden dub?" Although some platforms only provide the original Japanese dub of Naruto Shippuden, there are still many sites like Hulu and 9Anime where you can watch Naruto Shippuden episodes in English. Below is a list with detailed descriptions of these sites. ✓ 1. Hulu You can watch Naruto Shippuden in English on Hulu with a subscription starting at \$6.95 per month. If you're new to Hulu, you can watch it for free with a 30-day trial. It is currently the only platform in the US that airs anime. Unfortunately, only the first 140 episodes are dubbed, the rest are still subtitled versions. But all 500 English dubbed episodes should be available soon. Quick Access: â 2. 9Anime 9Anime is a popular anime streaming site that allows users to watch original and dubbed anime. On this site you will find many Anime shows in HD resolution and get a user-friendly experience with an optimized user experience without ads. Most importantly, all anime featured here are absolutely free. Therefore, it can be one of the best sites to watch Naruto Shippuden online for free. Quick Access: ✓ 3. Adult Swim First launched in 2001, Adult Swim is known for its sexual themes, nudity, profanity and graphic violence. There are still many performances that are aesthetically experimental, transgressive, improvised and surreal. Fortunately, the English dubbed version of Naruto Shippuden is also available here. Although it only covers season 5 and 6 from episodes 172 to 332, it's still a good place to watch this anime online for free. Quick Access: ■ 4. Crunchyroll Crunchyroll is an on-demand streaming service that focuses mainly on Japanese animation. It is available worldwide and has the largest catalog of licensed anime streaming. Crunchyroll initially allowed users to download pirated content, but thanks to a financial injection, it took the first step towards becoming a legitimate distribution platform. Although it doesn't offer you the full version with English dubbing, you can still watch Naruto Shippuden 200 dubbed Episodes here. Quick Access: ✓ 5. Netflix Shippuden is currently available on Netflix in Argentina, Brazil, Belgium, Canada, France, Germany, Mexico, Japan and Switzerland. All 21 seasons are available in Switzerland, Belgium, Japan and France. Viewers in Canada and Germany can watch 10 seasons, while viewers in Mexico, Argentina and Brazil can only watch 5 seasons. If viewers want to watch Naruto Shippuden on Netflix in English elsewhere, a VPN is required to change their location. For those who want to watch for free, see Quick access to free Netflix accounts and passwords: Part 2: How to download Naruto Shippuden English Dubbed Episodes? Some of the above websites offer free access to the Naruto Shippuden dub series, but only for a 30-day trial period. If you still want to watch this anime for free, you should download it. The same goes for killing time on a bad network connection. If you want to download Naruto Shippuden dubbed episodes, CleverGet should be your best choice.
